

## **OUR PHILOSOPHY**

We are an authentic Neapolitan pizzeria with an urban twist. At 081 Pizzeria, you can find a selection of hand-crafted Neapolitan pizzas and delicious Napoli-inspired tapas dishes.

We are committed to using only authentic, seasonal ingredients and carefully-sourced produce to create high-quality pizzas that taste like a slice of Naples.

## **THE FLOUR**

Thanks to a milling process that uses state-of-the-art technology (whilst respecting the ancient milling traditions) our flour preserves its nutritional and functional properties. It is high in fibre, naturally rich in zinc, a source of magnesium, a source of nutritional and functional vitamin E, high in fibre, and naturally rich in zinc.

## **THE DOUGH**

Our dough is fermented over a 72 hr period resulting in a light and flavoursome pizza that is easily digestible.

## **OUR FRIED FOOD**

“They evoke the flavours of yesteryear, maintaining an identity strongly linked to tradition. Remaining faithful to this philosophy, we offer a product that has been reworked with a contemporary twist.

# PANUOZZO

*"PANUOZZO is a Neapolitan street food. It is akin to a "pizza sandwich", in that the bread is made from pizza dough. Historically, the story goes that pizza chefs would make panuozzo for their kitchen staff to eat. Because even the most pizza-loving person in the world can't eat it every day".*
